

Annual AWARDS

Hot Spark

Owned by Paul Allard, Peter Sheldon and Steve Orbell

Suzie Wong

Best two year old owned by Mr Giles Pritchard Gordon

Epsom Trainers OPEN DAY

We opened the Yard for the **Epsom Trainers Open Day** which proved to be a very busy and successful day as and we had hundreds of people through the gates.

The most popular horses people came to see were **Hot Spark** who won at Newmarket first time out at 33 to 1 and **Suzie Wong** who won first time out at Epsom again at 33 to 1. **Aurora Sky** our lovely grey filly has won three times so far this year, Richard Hughes rode her to the winning line on Sunday 31st October and she took him to just three rides to catch Paul Hanagan for the Champion Jockeys Title. At the Open Day she appeared to pose for the cameras, and enjoyed all the fuss made of her!

Vintage is owned by Peter Sheldon and Mick Taylor, two fantastic owners who have waited patiently while 'Vinnie' recovered from an injury to be rewarded by him winning on his return to the course, and then coming second. Vinnie really is a fantastic horse and a lovely character!

All the horses seemed to enjoy all the attention and the copious quantities of carrots!
